

March 8, 2017

The really, really official rules for the FC77 40th Anniversary Logo Contest.

By submitting, you authorize FC77 to use the design for any and all purposes that the Club can come up with.

Requirements for design of 40th anniversary logo:

Maximum width 4 inches

Maximum height 6" height

600 dpi resolution.

Maximum of 4 colors, but should be reproducible in black & white

Suggested formats are jpeg or tiff

The graphic must include the founding year 1977 and the 40th year 2017.

Must be in the spirit of the club as a social organization centered around soccer.

You may include any and all elements from the sublime to the ridiculous.

It will be entirely up to the judges to decide the winner.

The judges include the two remaining founders who obviously have no idea they're still playing soccer.

Bribes will be accepted, but may not result in influencing the judges because they won't remember who bribed them.

All entries due by April 30th, 2017.

You may enter more than one design

The unveiling will be at the summer club barbecue, so maybe you can show up for once!

Email designs to Mike Calder or David Porter of FC 77.
